

Structural use of fibre reinforced concrete in precast segments

6 April 2018

Paris – FNTP, 3 rue de Berri 75008 Paris France

Objective: To give a detailed view of the different issues related to the use of FRC for precast segments and provide methods and tools for their design and construction.

Session 1: Main principles and design methods

08.45-09.00: Welcome and opening : AFTES/ITACET/BEKAERT MACCAFERRI UNDERGROUND SOLUTIONS

09.00-09.45: Global context and presentation of the main issues (P. Guedon – AFTES GT 38 – in French)

09.45-10.30: Lessons from 20 years of application (E. Chiriotti - WG2 – in French)

10.30-11.00: Coffee Break

11.00-12.15: Design procedure for precast fibre reinforced concrete (Prof. A. Meda – In English)

12.15-12.45: Concrete mix for FRC (D. Rogat – Vicat – in French)

12.45-13.00: Questions and Answers – Design issues

13.00-14.00: Lunch

Session 2: Cases studies and durability issues

14.00-14.30: Case study 1 : Example of the design of FRC segments (V. Nasri – AECOM – in English)

14.30-15.00: Case study 2 : Application in the Doha metro (F. Renault – Vinci – in French)

15.00-15.30: Case study 3 : Paris metro ligne 14 (Gabriel Gauquelin et Thibaut Lockhart – Bouygues – in French)

15.30-16.00: Coffee Break

16.00-16.30: Case study 4 : FRC : Lessons learnt from experience (C. Eddy – CECL – in English)

16.30-17.00: Case study 5 : FRC precast segment production and quality control (C. Eddy – CECL – in English)

17.00-17.30: Case study 6 : Quality control: example of the Nice tramway (B. De Rivaz – Bekaert Maccaferri Underground Solutions – in French)

17.30-18.00: Questions and answers - perspectives

Registration Procedures

PRE REGISTRATION BY CLICKING THE LINK BELOW:

<https://www.inscription-facile.com/form/GImPqFeAtPnZtkqtP9kT>

Price :

- **160 €** For the members AFTES
- **200 €** For the not members

PAYMENT :

- **By cheque** made out to AFTES Send your cheque in : AFTES 42 rue Boissière – 75116 PARIS
- **By bank Transfert** IBAN / FR06 3000 2004 2300 0000 0829 H33 - BIC / CRLYFRPP

Please indicate the following references in the purpose of payment: **Fibres_Your name**

Your registration is recorded, it will be confirmed upon receipt of the payment.

A certificate of participation will be later sent to the present subscribers.

There will be no refund of the registration in case of cancellation from you.

Access Plan

FNTP - Fédération Nationale des Travaux Publics
3, rue de Berri - 75008 Paris
Métro George V • Parking Champs-Elysées
